My dear Sir

Philadelphia 27th May 1777

Being now in Congress I am unable to reply to your last Favours, & have only Time to inclose you a Warrant on the Loan Office for the Money due to You in Consequence of an Error attending the last Adjustt of your Accounts. I suffer much from Want of Exercise & Relaxation, shall however not leave Congress while I am able to attend the Business, as I wish much to see several Matters concluded, particularly the Confederation, before my Return.

I am much in Haste for your speedy

Friend & humble Servt

E Gerry
